

CHEMEX 404 Marine Degreaser

**Non-Toxic
User Safe
100% Biodegradable
Environmentally Friendly**

DESCRIPTION

Chemex 404 Marine Degreaser is a new environmentally safe degreaser, cleaning agent and oil dispersant. It is designed for marine use, oil fields and general industrial application. The non-ionic nature of this formulation makes it safe to nature and economical to use. Chemex 404 Marine Degreaser contains no phosphates and is BIO-DEGRADABLE.

RECOMMENDED FOR

Chemex 404 Marine Degreaser can be used aboard ships for cleaning tanks, bilges, floor slates, tank tops, engine rooms, galleys, drilling rigs, machine shops, derrick barges and oil spills on decks and piers. It is an effective cleaner for machinery in manufacturing plants, public utility departments, factories, schools, hospitals and office buildings where economy is an important factor. Chemex 404 Marine Degreaser can also be used for thorough cleaning by railroads, bus lines, garages and contractors

BENEFITS

- * BIO-DEGRADABLE & ENVIRONMENTALLY SAFE
- * DOES NOT CONTAIN KEROSENE, MINERAL SPIRITS, BUTYL, CAUSTIC, ACIDS OR CHLORINATED SOLVENTS
- * USDA APPROVED AS A GENERAL CLEANING AGENT ON ALL SURFACES
- * DISSOLVES & DISPERSES OIL SPILLS
- * CLEANS MARINE ENGINES & BILGES
- * SCOURS DECKS, TANK TOPS & BULK HEADS
- * LEAVES SURFACES OIL & GREASE FREE

APPLICATION

- A. Chemex 404 Marine Degreaser may be used to clean bilge tank compartments, degrease decks and bulkheads as well as engine rooms.
- B. Washing of shop floors, warehouse, warehouse floors, walls, grease racks and pipes.
- C. Cleaning off shore oil platforms, drill rigs, heavy machinery, engines and tools.
- D. May also be used for housekeeping when a heavy duty product is required. This would include showers, work areas, garages and driveways.

TECHNICAL DATA

CHEMEX 404 MARINE DEGREASER

USE DIRECTIONS

Chemex 404 Marine Degreaser is applied by spray, mop, brush, or dipping. It is used cold, and may be diluted or used full strength, depending on the condition of the surface to be cleaned.

ENGINE ROOMS for tanks, engines, and machinery dilute Chemex 404 Marine Degreaser with equal parts of water. Wet down area to be cleaned then apply Chemex 404 Marine Degreaser with a spray. Allow application to remain on surface about three minutes, then rinse with water. Reapply if heavy accumulations of grime are present. Some brushing may be necessary.

BILGE & HOLDING TANK use full strength. Spray Chemex 404 Marine Degreaser on surface to be cleaned. Allow deposit to be broken up and loosened before removal. Wash with clear water.

GENERAL CLEANING for use on all other surfaces dilute Chemex 404 Marine Degreaser with six parts of water. Spray Chemex 404 Marine Degreaser, agitate areas of heavy accumulation with brush and wash with clear water.

HANDLING PRECAUTIONS

Keep out of reach of children. Do not take internally. Wear rubber gloves and protective clothing. Avoid contact with skin and eyes, in case of contact, immediately flush with plenty of water. For eyes, flush with water and get medical attention.

PHYSICAL CHARACTERISTICS

| | |
|---------------------|--------------------------------|
| Appearance | Clear colorless to pale yellow |
| Specific Gravity | 1.04 |
| Pounds per gallon | 8.7 |
| Flash point | none |
| Toxic odor | none |
| Insoluble matter | none |
| Corrosion to metals | non-corrosive |
| Solubility, oil | soluble |
| Solubility, water | soluble |
| Stability, storage | indefinite |

PACKAGING

Available in 55 gallon drums.
